**Dated Date: February 1, 2007**

This Official Statement, which includes the cover page, is being distributed by the Magoffin County School District Finance Corporation (the "Corporation") to furnish pertinent information to all who may become holders of its School Building Refunding Revenue Bonds, Series of 2007, dated February 1, 2007 (the "Bonds") being offered hereby pursuant to the provisions of Sections 162.120 through 162.300 and Section 162.385 of the Kentucky Revised Statutes, ("KRS") and KRS Chapter 273 and KRS 58.180, and pursuant to the terms of a Bond Resolution adopted by the Corporation.

The summaries and references to Sections of the Kentucky Revised Statutes, the Bond Resolution, and the Contract, Lease and Option, as included in this Official Statement, do not purport to be comprehensive or definitive and are qualified in their entirety by reference to each such document.

**DESCRIPTION OF THE BONDS**

***Authorization***

Pursuant to Sections 162.120 through 162.300 and Section 162.385 of the Kentucky Revised Statutes and KRS Chapter 273 and KRS 58.180, the Corporation adopted a Bond Resolution (i) authorizing the issuance of \$5,580,000\* School Building Refunding Revenue Bonds; (ii) approving the publication of a Notice of Sale of Bonds; (iii) approving the terms and conditions of bond sale; and (iv) authorizing the President of the Corporation to execute the Official Statement related to the Bonds.

***Terms***

The Bonds will be dated February 1, 2007 will bear interest payable June 1, 2007, and thereafter semiannually on each December 1 and June 1 at the rates established upon acceptance of a bid for said Bonds and, will mature on the dates and in the amounts set forth on the cover page.

***Book Entry***

The following information regarding DTC and Cede & Co. will be applicable to the Bonds as long as a book entry system is utilized. The Corporation does not assume any responsibility for the accuracy or completeness of the information set forth under this caption "Book Entry", and the Corporation is not required to supervise, and will not supervise, the operation of the book entry system described herein.

DTC is a limited purpose trust company organized under the laws of the State of New York, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC was created to hold securities of its participants (the "DTC Participants") and to facilitate the clearance and settlement of securities transactions among DTC Participants in such securities through electronic book-entry changes in accounts of the DTC Participants, thereby eliminating the need of physical movement of securities certificates. DTC Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations, some of whom (and/or their representatives) own DTC. Access to the DTC system is also available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly (the "Indirect Participants").

Upon issuance of the Bonds, DTC Participants shall receive a credit balance in the records of DTC. ***The ownership interest of each actual purchaser of each Bond (the "Beneficial Owner") will be recorded through the records of the applicable DTC Participant.*** Beneficial Owners will receive a written confirmation of their purchase provided by the applicable DTC Participant, providing details of the Bonds acquired. Transfers of ownership interests in the Bonds ("Beneficial Ownership Interests") will be accomplished by book entries made by DTC and, in turn, by the DTC Participants who act on behalf of the Beneficial Owners. Beneficial Owners will **not** receive certificates representing their ownership interest in the Bonds, except as specifically provided in the Ordinance.

\*Preliminary, Subject to Permitted Adjustment.

The Corporation has no responsibility or liability for any aspects of the records relative to or payments made on account of beneficial ownership, or for maintaining, supervising or reviewing any records relating to beneficial ownership.

Principal, sinking fund, and interest payments on the Bonds will be made to DTC or its nominee, as registered owner of the Bonds. Upon receipt of moneys, DTC's current practice is to immediately credit the accounts of the DTC Participants in accordance with their respective holdings shown on the records of DTC. Payments by DTC Participants and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is now the case with municipal securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such DTC Participant or Indirect Participant and not of DTC or the Agency, subject to any statutory and regulatory requirements as may be in effect from time to time.

A Beneficial Owner shall give notice to elect to have its Beneficial Ownership Interests purchased or tendered, through its DTC Participant, to the Paying Agent and Registrar, and shall effect delivery of such Beneficial Ownership Interests by causing the Direct Participant to transfer the DTC Participant's interest in the Beneficial Ownership Interests, on DTC's records, to the purchaser or the Paying Agent and Registrar, as appropriate. The requirements for physical delivery of Bonds in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records.

The Paying Agent and Registrar, so long as a book entry method is used for the Bonds, will send only to DTC any notice of redemption or other notices required to be sent to Bondholders. Any failure of DTC to advise any DTC Participant, or of any DTC Participant to notify the Beneficial Owner, of any such notice and its content or effect will not affect the validity of the redemption of the Bonds called for redemption or of any other action premised on such notice.

Conveyance of notices and other communications by DTC to DTC Participants, by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory and regulatory requirements as may be in effect from time to time.

The Corporation and the Paying Agent and Registrar cannot and do not represent or give any assurances that DTC, the DTC Participants or Indirect Participants or others will distribute payments of debt service charges on the Bonds paid to DTC or its nominee, as the registered owner, or any redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis, or that DTC will serve and act in the manner described in this Official Statement.

#### ***Optional Redemption Provision***

The Bonds maturing on and after June 1, 2017, are subject to redemption prior to their stated maturities on any date falling on or after January 1, 2017, in whole, or from time to time, in part, in any order of maturities (less than all of a single maturity to be selected by lot), at the option of the Corporation upon terms or the face amount, plus accrued interest, but without redemption premium.

#### ***Authority and Purpose***

The Refunding Bonds are being issued under and in full compliance with the Constitution and Statutes of the Commonwealth of Kentucky, including KRS Sections 162.120 through 162.300, 162.385, and Section 58.180, within the meaning of the decision of the Court of Appeals of Kentucky (Supreme Court) in the case of Hemlepp v. Aronberg, 369 S.W.2d 121, for the purpose of providing funds to retire all of the outstanding Magoffin County (Kentucky) School District Finance Corporation School Building Revenue Bonds, Series of 1996, dated September 1, 1996 (the "Series 1996 Bonds") and certain of the outstanding Magoffin County (Kentucky) School District Finance Corporation School Building Revenue Bonds, Series of 2000, dated June 1, 2000 (the "Series 2000 Bonds") maturing June 1, 2011 and thereafter (collectively, the "Prior Bonds" or "Defeased Bonds"); provided, however, the Series 2000 Bonds maturing June 1, 2007 through June 1, 2010 (the "Remaining Bonds") shall not be defeased and will remain payable under the Prior Lease.

### **SCHOOL FACILITIES CONSTRUCTION COMMISSION**

The Kentucky School Facilities Construction Commission is an independent corporate agency and instrumentality of the Commonwealth of Kentucky established pursuant to the provisions of Sections 157.611 through 157.640 of the Kentucky Revised Statutes, as amended, repealed and reenacted (the "Act") for the purpose of assisting local school districts in meeting the school construction needs of the Commonwealth in a manner which will ensure an equitable distribution of funds based upon unmet need.

The Commission will enter into a Participation Agreement with the Board whereunder the Commission will agree to continue to pay annually approximately 32% of the debt service requirements for the Refunding Bonds through June 1, 2020 and approximately 34% for the Remaining Bonds through June 1, 2010. The contractual commitment of the Commission to pay the annual Agreed Participation is limited to the biennial budget period of the Commonwealth, with the first such biennial budget period terminating on June 30, 2007.

## **PROCEEDS TO RETIRE CERTAIN BONDS OF PRIOR ISSUES**

The Defeased Bonds were issued by the Corporation under the authority of KRS Sections 162.120 through 162.300 and 162.385 for the purpose of providing funds for renovations at Millard Hensley Elementary School, additions and renovations at Salyers Elementary School and additions at Magoffin County Elementary School respectively (the "Projects") for the Board. Under the terms of the Bond Resolutions authorizing the Defeased Bonds, those Bonds are payable from the income and revenues of the Projects financed from the proceeds thereof.

The aggregate total principal amount of the Defeased Bonds outstanding as of February 1, 2007 is \$160,000, scheduled to mature on September 1 in each of the years 2007 through 2016 for the Series 1996 Bonds and \$4,955,000 scheduled to mature on June 1 in each of the years 2011 through 2020 for the Series 2000 Bonds.

The statutory mortgage liens and pledges securing the Refunding Bonds are inferior and subordinate to the lien and pledge securing certain of the Corporation's outstanding School Building Revenue Bonds as to one of the three sites of the Projects (the "Prior Lien bonds") but rank on the basis of parity with the lien and pledge securing the Remaining Bonds.

Upon the delivery of the Refunding Bonds sufficient proceeds thereof shall be deposited in a special Escrow Fund and invested in U.S. Government Obligations or Certificates of Deposit fully collateralized by U.S. Government Obligations in order to provide for (a) the payment of all accruing interest and the prior redemption of principal due September 1, 2007 and thereafter on March 1, 2007 (b) the payment of all accruing interest beginning June 1, 2007 through June 1, 2010 and the prior redemption of the Series 2000 Bonds maturing June 1, 2011 through 2020 on June 1, 2010.

The 2007 Bond Resolution expressly provides that upon delivery of the Refunding Bonds and the deposit of sufficient funds in accordance with the preceding paragraph and the payment and retirement of the Remaining Bonds the statutory mortgage liens upon and the pledges of the revenues from the rental of the Projects under the Prior Leases from the Corporation to the Board shall terminate as the security and source of payment for the Defeased Bonds and the Registered Owners of the Defeased Bonds shall be paid from and secured by the monies deposited in the Escrow Fund for the retirement thereof upon the delivery of the Refunding Bonds.

### **SECURITY FOR REFUNDING BONDS**

The Refunding Bonds will constitute a limited indebtedness of the Corporation and will be payable as to both principal and interest solely from the income and revenues of the school Projects originally financed from the proceeds of the Defeased Bonds. The Refunding Bonds are secured by statutory mortgage liens upon and pledges of the revenues derived from the rental of the school Projects to the Board under a Contract, Lease and Option dated as of February 1, 2007 (the "2007 Lease"); said liens and pledges being inferior to the lien and pledge securing the Prior Lien Bonds but ranking on a parity with the lien and pledge securing the Remaining Bonds.

Title to the school Projects financed from the proceeds of the Defeased Bonds is vested in the Corporation securing the Refunding Bonds in accordance with the terms of the 2007 Lease.

The 2007 Lease provides that the Prior 1996 Lease will be canceled effective upon the escrow of sufficient funds to provide for the retirement of the Series 1996 Bonds but the Prior 2000 Lease will remain in effect until the retirement of the Remaining Bonds. The 2007 Lease provides further that so long as the Board exercises its annual renewal options, its rentals will be payable according to the terms and provisions of the 2007 Lease until June 1, 2020, the final maturity date of the Refunding Bonds, and such annual rentals shall be deposited as received in the 2007 Bond Fund for the Refunding Bonds and used and applied for the payment of all maturing principal of and interest on the Refunding Bonds.

Under the terms of the 2007 Bond Resolution and the 2007 Lease the statutory mortgage liens and pledges of rental revenues securing the Refunding Bonds which are created and granted pursuant to KRS 162.200 upon the school Projects properties are and shall be restricted in their application to the exact locations of said school buildings and to such easements and rights of way for ingress, egress and the rendering of services thereto as may be necessary for the proper use and maintenance of said school buildings; the right being reserved to erect or construct upon any land not occupied by the school Projects other independently financed school buildings, free and clear of said statutory mortgage liens and revenue pledges, which other independently financed school buildings may or may not have a party wall with and adjoin said school buildings constituting the Projects, provided no part of the cost of said other independently financed school buildings is paid from the proceeds of the sale of the Refunding Bonds.

Under the terms of the 2007 Lease, and any renewal thereof, the Board has agreed so long as the Bonds remain outstanding, and in conformance with the intent and purpose of Section 157.627(5) of the Act and KRS 160.160(5), in the event of a failure by the Board to pay the rentals due under the 2007 Lease, and unless sufficient funds have been transmitted to the Paying Agent, or will be so transmitted, for paying said rentals when due, the Board has granted under the terms of the 2007 Lease and Participation Agreement to the Corporation and the Commission the right to notify and request the Kentucky Department of Education to withhold from the Board a sufficient portion of any undisbursed funds then held, set aside, or allocated to the Board and to request said Department or Commissioner of Education to transfer the required amount thereof to the Paying Agent for the payment of such rentals.

**ADOPTION OF STATE BUDGET**

The Commonwealth's Biennial Budget for 2006-08 was formally reported out of the Joint Conference Committee of the Kentucky General Assembly the week of April 3. The Budget was approved by the Senate on April 10 and by the House of Representatives on April 11 and was forwarded to the Governor for his approval or modification. The Governor exercised his line-item veto power as to certain items and the Budget has become effective.

**MAGOFFIN COUNTY (KENTUCKY) SCHOOL DISTRICT FINANCE CORPORATION**

The Corporation has been formed in accordance with the provisions of Section 162.120 through 162.300 and 162.385 of the Kentucky Revised Statutes ("KRS"), and KRS Chapter 273 and KRS 58.180, as a non-profit, non-stock corporation for the purpose of financing necessary school facilities for and on behalf of the Board of Education of the Magoffin County School District (the "Board"). Under the provisions of existing Kentucky law, the Corporation is permitted to act as an agency and instrumentality of the Board for financing purposes.

The Board of Directors of the Corporation is made up of the incumbent members of the Board of Education.

**THE REFUNDING PLAN**

The Corporation will issue Bonds in an amount sufficient (1) to fund an escrow composed of United States government Obligations or Certificates of Deposit of FDIC banks fully collateralized by said Obligations that will produce sufficient receipts to pay the interest requirements due and payable on the Defeased Bonds until the redemption dates, and to redeem the Defeased Bonds on the redemption dates at the premium of 2% (\$3,200) on the Series of 1996 Bonds, and on the redemption date at the premium of 1% (\$49,550) on the Series of 2000 Bonds, and (2) to pay the costs of issuance of and the purchaser discount on the Bonds.

The Bonds are fully registered and in denominations in multiples of \$5,000. ### *Statutory Mortgage Lien Created*

The Resolution recognizes the statutory mortgage lien upon the school Project property which are granted and created by Section 162.200 of the Kentucky Revised Statutes. Said lien is and shall be restricted in its applications to the facilities, the costs of financing of which are defrayed from the proceeds of the Bonds, together with appurtenances, equipment therein, that portion of the school site physically occupied thereby, and such easements and rights-of-way for ingress, egress, and the rendering of services thereto as may be necessary for the proper use and maintenance of the same.

The right is reserved to erect or construct upon the school site described in the Resolution other structures and improvements free and clear of said statutory mortgage lien, even though the same are connected by using as party walls one or more walls of structures which are subject to said mortgage lien, providing the same are capable of use as separate entities in themselves and have their own outside entrances and providing no part of the costs of said additional structures and improvements are paid from the proceeds of these Bonds.

***Arbitrage Provisions***

The Corporation shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Corporation on the Bonds shall, for the purpose of Federal income taxation, be excludable from the gross income of the recipients under any valid provision of law.

The Corporation shall not permit at any time any of the proceeds of the Bonds or other funds of the Corporation to be used to acquire any securities or obligations the acquisition of which would cause any such Bond to be an "arbitrage bond", as defined in the Internal Revenue Code of 1986, as amended (the "Code"), unless, under any valid provision of law hereafter enacted, the interest paid by the Corporation on the Bonds shall be excludable from the gross income of a recipient thereof for Federal income tax purposes without regard to compliance with the Code.

***Resolution to Constitute a Contract***

***Other Covenants***

The Corporation binds and obligates itself not to sell, mortgage, or in any manner dispose of the school Projects property, including any and all extensions and additions that may be made thereto, except as specifically permitted and provided by the Resolution until all of the Bonds shall have been paid in full.

**CERTAIN PROVISIONS OF THE CONTRACT, LEASE AND OPTION**

The initial term of the Lease shall expire on June 30, 2008; provided, however, that the Lease shall be automatically renewed from year to year for one-year terms unless terminated by the Board upon written notice to the Corporation ninety days before the end of the fiscal year.

***Amount and Due Date of Rentals***

The amount of the annual rentals to be paid by the Board shall be a sum equal to the interest which will be due on December 1, together with the Bonds and interest which will be due on June 1 during the rental year, plus the costs of operation, maintenance and insurance.

***Conveyance upon Retirement of Bonds***

It is agreed that if the Board shall pay rentals from year to year until the first day of June, 2020, then upon completion of such payments the leased premises shall be and become the property of the Board.

### ***Options to Purchase***

It is hereby further agreed that the Board may purchase the Project and thereby terminate the Lease on any date by the payment of a sum sufficient to accomplish the retirement or defeasance of the outstanding Bonds issued by the Corporation.

### ***Maintenance and Insurance***

The Board agrees that so long as the Board continues to lease the school Project it will, at its own expense, maintain the Project in good state of repair and will procure and pay the cost of insurance on all buildings located thereon against loss by fire, lightning, and windstorm in an amount equal to the full insurable value of the Project or the face amount of the Bonds outstanding, whichever is greater.

## **KENTUCKY DEPARTMENT OF EDUCATION SUPERVISION**

According to a report furnished by the Kentucky Department of Education, under the terms of the Kentucky Revised Statutes and the regulations of the Kentucky Board of Education (the "State Board"), the State Board, by itself and through its executive officer, the Commissioner of Education (the "Commissioner"), supervises the general operations of the local boards of education and school building revenue bond financing for school purposes. The Commissioner examines and advises on the expenditures, business methods and accounts of all local boards of education, including the Board. The Commissioner is responsible for assuring that all financial and educational accounts are accurately and neatly kept, and that all reports are made according to the forms adopted by the State Board. Each school district supported in whole or in part from taxation is required to make a report to the State Board at the close of each scholastic year, showing in detail all funds received from the Commonwealth and from all other sources during the year, and a detailed statement of all expenditures for the year.

Each local board of education must prepare and submit to the Commissioner an annual budget showing the amount needed for current expenses, capital outlay, debt service and lease rental payments for the ensuing year, the estimated amount to be received from other sources, and the amount needed to be raised from local taxation, including the assessed valuation and tax rate for property subject to taxation by the school district. If the budget is disapproved, it must be amended and resubmitted. No budget is effective until approved by the Commissioner.

Each local school board must prepare and submit to the State Board, not later than January 15 of each year, a close estimate of its working budget which must conform to the rules and regulations prescribed by the State Board, and which must be consistent in its major divisions with the general school budget previously prepared.

A local superintendent may not recommend and a local school board member may not vote for an expenditure in excess of the income and revenue of any year as shown by the budget approved by the Commissioner, except for a purpose for which bonds have been voted, or in case of an emergency declared by the State Board.

All local boards of education who have entered into contracts with respect to the issuance of revenue bonds must arrange for insurance protection in an amount equal to the amount of bonds outstanding against the particular building or buildings, or to the full insurable value of such building or buildings, whichever is greater, and must report annually to the Superintendent, on forms provided by the Department of Education, the amount of insurance coverage provided for each building which has been mortgaged for the security of outstanding revenue bonds.

The State Department of Education must approve a bond issue and its related financial, educational and construction plans prior to issuance and such approval will be obtained prior to the sale of this issue.

## **STATE SUPPORT OF EDUCATION**

The 1990 Regular Session of the General Assembly of the Commonwealth enacted a comprehensive legislative package known as the Kentucky Education Reform Act ("KERA") designed to comply with the mandate of the Kentucky Supreme Court that the General Assembly provide for an efficient and equitable system of schools throughout the State.

KERA became fully effective on July 13, 1990. Elementary and Secondary Education in the Commonwealth is supervised by the Commissioner of Education as the Chief Executive Officer of the State Department of Education ("DOE"), and appointee of the reconstituted Kentucky Board of Education (the "State Board"). Some salient features of KERA are as follows:

KRS 157.330 establishes the fund to Support Education Excellence in Kentucky ("SEEK") funded from biennial appropriations from the General Assembly for distribution to school districts. The base funding guaranteed to each school district by SEEK for operating and capital expenditures is determined in each fiscal year by dividing the total annual SEEK appropriation by the state-wide total of pupils in average daily attendance ("ADA") in the preceding fiscal year; the ADA for each district is subject to adjustment to reflect the number of at risk students (approved for free lunch programs under state and federal guidelines), number and types of exceptional children, and transportation costs.

KRS 157.420 establishes a formula which results in the allocation of funds for capital expenditures in school districts at \$100 per ADA pupil of the SEEK allotment which is required to be segregated into a Capital Outlay Allotment Fund which may be used only for (1) direct payment of construction costs; (2) debt service on voted and funding bonds; (3) lease rental payments in support of bond issues; (4) reduction of deficits resulting from over-expenditures for emergency capital construction; and (5) a reserve for each of the categories enumerated in 1 through 4 above.

KRS 160.470(12)(a) requires that effective for fiscal years beginning July 1, 1990 each school district shall levy a minimum equivalent tax rate of \$0.30 for general school purposes. The equivalent tax rate is defined as the rate which results when the income collected during the prior year from all taxes levied by the district (including utilities gross receipts license and special voted) for school purposes is divided by the total assessed value of property, plus the assessment for motor vehicles certified by the Revenue Cabinet of the Commonwealth. Any school district board of education which fails to comply with the minimum equivalent tax rate levy shall be subject to removal from office.

KRS 157.440(2) provides that for fiscal years beginning July 1, 1990 each school district may levy an equivalent tax rate which will produce up to 15% of those revenues guaranteed by the SEEK program. Any increase beyond the 4% annual limitation imposed by KRS 132.017 ("House Bill 44") is not subject to the recall provisions of that Section. Revenue generated by the 15% levy is to be equalized at 150% of the state-wide average per pupil equalized assessment.

KRS 157.440(2) permits school districts to levy up to 30% of the revenue guaranteed by the SEEK program, plus the revenue produced by the 15% levy, but said additional tax will not be equalized with state funds and will be subject to recall by a simple majority of those voting on the question.

KRS 157.620(1) also provides that in order to be eligible for participation from the Kentucky School Facilities Construction Commission for debt service on bond issues the district must levy a tax which will produce revenues equivalent to \$0.05 per \$100 of the total assessed value of all property in the district (including tangible and intangible property and motor vehicles). A district having a special voted tax which is equal to or higher than the required \$0.05 tax, must commit and segregate for capital purposes at least an amount equal to the required \$0.05 tax. Those districts which levy the additional \$0.05 tax are also eligible for participation in the Facilities Support Program of Kentucky ("FSPK") program for which funds are appropriated separately from SEEK funds and are distributed to districts in accordance with a formula taking into account outstanding debt and funds available for payment from both local and state sources.

KRS 160.460 provides that as of July 1, 1994 all real property located in the Commonwealth subject to local taxation shall be assessed at 100% of fair cash value.

- (D) The interest income from the Bonds is excludable from the gross income of the recipients thereof for Federal income tax purposes under existing law for individuals; however, said income must be included in the calculation of "modified adjusted gross income" in the determination of whether and to what extent Social Security benefits are subject to Federal income taxation.

***Utilities Gross Receipts Tax For Schools***

Under the provisions of KRS 160.613, 160.615, and 160.617, the Magoffin County Board of Education levies a three percent Utility Gross Receipts License Tax for Schools. Receipts from the tax are as follows:

<u>2004/2005</u>	<u>2003/2004</u>	<u>2002/2003</u>
\$437,158	\$407,259	\$386,615

***Funds Available for Debt Service***

Beginning with fiscal year 1990-91, capital expenditures in school districts are provided by the segregation of \$100 per ADA pupil from the SEEK funds allotment to each district. Expenditures from the Capital Outlay Allotment Fund may be used, up to a maximum of eighty percent (80%) of the annual allotment, for (1) direct payment of construction costs; (2) debt service on voted and funding bonds; (3) lease rental payments in support of bond issues; (4) reduction of deficits resulting from over-expenditures for emergency capital construction; and (5) a reserve for each of the categories enumerated in (1) through (4).

In addition to the Capital Outlay Allotment Fund as described above, each district is required to levy a tax which will produce revenues equivalent to five cents (\$0.05) per \$100 of assessed value of all property in the district in order to be eligible for participation from the Kentucky School Facilities Construction Commission. Tax receipts MUST be used for purposes enumerated in (1) through (5) above.

Those districts which levy the additional \$0.05 tax are also eligible to receive funds from the Facilities Support Program of Kentucky (the "FSPK"). These funds are appropriated separately from the SEEK funds and are distributed to districts in accordance with a formula taking into account outstanding debt and funds available for payment from both local and state sources. FSPK funds MAY be used for purposes enumerated in (1) through (5) above.

The funds available for Capital Outlay purposes, as described above, are not directly pledged for payment of principal and interest on outstanding school building revenue bonds, but as a practical matter and to the extent needed, have been and will continue to be applied to debt service through rental payments on Lease obligations.

**APPENDIX D**

*Continuing Disclosure Agreement*

## **CONTINUING DISCLOSURE AGREEMENT**

This Continuing Disclosure Agreement ("Agreement") made and entered into as of the 1<sup>st</sup> day of February, 2007 by and between the Board of Education of Magoffin County, Kentucky ("Board"); the Magoffin County School District Finance Corporation, an agency and instrumentality of the Board ("Corporation") and the Registered and Beneficial Owners of the Bonds hereinafter identified as third party beneficiaries to this Agreement. For the purposes of this Agreement "Beneficial Owner" means the person or entity treated as the owner of the Bonds for federal income tax purposes and "Registered Owner" means the person or entity named on the registration books of the bond registrar.

The Board has never failed under previous written agreements to comply in all material respects with any previous undertaking with regard to the Rule to provide required financial reports or notices of material events

### **WITNESSETH:**

WHEREAS, the Corporation has acted as issuing agency for the Board pursuant to the provisions of Section 162.385 of the Kentucky Revised Statutes ("KRS") and the Corporation's Bond Resolution in connection with the authorization, sale and delivery of \$5,580,000 of the Corporation's School Building Refunding Revenue Bonds, Series of 2007, dated February 1, 2007 ("Bonds"), which Bonds were offered for sale under the terms and conditions of a Final Official Statement ("FOS") prepared by First Kentucky Securities Corporation, Frankfort, Kentucky ("Financial Advisor") and approved by the authorized representatives of the Board and the Corporation, and

WHEREAS, the Securities and Exchange Commission ("SEC"), pursuant to the Securities and Exchange Act of 1934, has amended the provisions of SEC Rule 15c2-12 relating to financial disclosures by the issuers of municipal securities under certain circumstances ("Rule"), and

WHEREAS, it is intended by the parties to this Agreement that all terms utilized herein shall have the same meanings as defined by the Rule, and

WHEREAS, the Board is an "obligated person" as defined by the Rule and subject to the provisions of said Rule, and

WHEREAS, failure by the Board and the Corporation to observe the requirements of the Rule will inhibit the subsequent negotiation, transfer and exchange of the Bonds with a resulting diminution in the market value thereof to the detriment of the Registered and Beneficial Owners of said Bonds and the Board;

NOW, THEREFORE, in order to comply with the provisions of the Rule and in consideration of the purchase of the Bonds by the Registered and Beneficial Owners, the parties hereto agree as follows:

### **1. ANNUAL FINANCIAL INFORMATION.**

The Board agrees to provide the annual financial information contemplated by Rule 15c2-12(b)(5)(i) relating to the Board for its fiscal years ending June 30 of each year to the Nationally Recognized Municipal Securities Information Repositories ("NRMSIRS") as specified by SEC Regulations and the State Information Depository ("SID"), if any (the Commonwealth of Kentucky has not established a SID as of the date of this Agreement) within nine (9) months of the close of each fiscal year.

For the purposes of the Rule "annual financial information" means financial information or operating data provided annually, of the type included in the FOS with respect to the Board, and shall include annual audited financial statements for the Board in order that the recipients will be provided with ongoing information regarding revenues and operating expenses of the Board.

The annual financial information shall be prepared in accordance with Generally Accepted Accounting Principles, Generally Accepted Auditing Standards or in accordance with the appropriate sections of KRS or Kentucky Administrative Regulations.

The parties hereto agree that this Agreement is entered into among them for the benefit of those who become Registered and Beneficial Owners of the Bonds as third party beneficiaries to said Agreement.

## **2. MATERIAL EVENTS NOTICES.**

Under the Rule, Section 15c2-12(b)(5)(i)(C), the following eleven (11) events must be disclosed to the NRMSIRS or to the SID, if any, and the Municipal Securities Rule Making Board ("MSRB"), if material:

- (1) Principal and interest payment delinquencies;
- (2) Nonpayment related defaults;
- (3) Unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) Substitution of credit or liquidity providers, or their failure to perform;
- (6) Adverse tax opinions or events affecting the tax-exempt status of the Bonds;
- (7) Modifications to rights of Bondholders;
- (8) Bond calls;
- (9) Defeasances;
- (10) Release, substitution or sale of property securing the repayment of the Bonds; and
- (11) Rating changes.

Notice of said material events shall be given to the entities identified in this Section by the Board on a timely basis in light of the date of occurrence of the material events. Notwithstanding the foregoing, the provisions of the documents under which the Bonds are authorized and issued do not provide for a debt service reserve, credit enhancements or credit or liquidity providers.

In accordance with Rule Section 15c2-12(b)(5)(i)(D), the Board agrees that in the event of a failure to provide the Annual Financial Information required under Section 1 of this Agreement, it will notify each NRMSIR or MSRB and SID of such failure in a timely manner.

### **3. SPECIAL REQUESTS FOR INFORMATION.**

Upon the request of any Registered or Beneficial Owner of the Bonds or the original purchaser of the Bonds or any subsequent broker-dealer buying or selling said Bonds on the secondary market ("Underwriters"), the Board shall cause financial information or operating data regarding the conduct of the affairs of the Board to be made available on a timely basis following such request.

### **4. DISCLAIMER OF LIABILITY.**

The Board and the Corporation hereby disclaim any liability for monetary damages for any breach of the commitments set forth in this Agreement and remedies for any breach of the Board's continuing disclosure undertaking shall be limited to an action for specific performance or mandamus in a court of competent jurisdiction in Kentucky following notice and an opportunity to cure such a breach.

### **5. FINAL OFFICIAL STATEMENT.**

That the Final Official Statement prepared by the Financial Advisor and approved by the authorized representatives of the Board and the Corporation is hereby incorporated in this Agreement as fully as if copied herein and the "annual financial information" required under Section 1 hereof shall in summary form update the specific information set forth in said FOS.

### **6. DURATION OF THE AGREEMENT.**

This Agreement shall be in effect so long as any of the Bonds remain outstanding and unpaid; provided, however, that the right is reserved in the Board to delegate its responsibilities under the Agreement to a competent agent or trustee, or to adjust the format of the presentation of annual financial information so long as the intent and purpose of the Rule to present adequate and accurate financial information regarding the Board is served.

### **7. AMENDMENT; WAIVER**

Notwithstanding any other provision of this Agreement, the Board may amend this Agreement, and any provision of this Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Section 1, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the holders of the Bonds in the same manner as provided in the Bond Resolution for amendments to the Bond Resolution with the consent of

holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Registered Owners or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Agreement, the Board shall describe such amendment or waiver in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Board. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a material event under Section 15c2-12(b)(5)(i)(C) of the Rule, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

**8. DEFAULT**

In the event of a failure of the Board to comply with any provision of this Agreement, the Corporation may and, at the request of any Underwriter or any Registered Owner or Beneficial Owner of Bonds, shall take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Board to comply with its obligations under this Agreement. A default under this Agreement shall not be deemed an event of default under the Bond Resolution, and the sole remedy under this Agreement in the event of any failure of the Board to comply with this Agreement shall be an action to compel performance.

In witness whereof the parties hereto have executed this Agreement as of the date first above written.

**MAGOFFIN COUNTY (KENTUCKY)  
SCHOOL DISTRICT FINANCE CORPORATION**

The Corporation has been formed in accordance with the provisions of Sections 162.120 through 162.300 and Section 162.385 of the Kentucky Revised Statutes ("KRS"), and KRS Chapter 273 and KRS 58.180, as a non-profit, non-stock corporation for the purpose of financing necessary school building facilities for and on behalf of the Board of Education of Magoffin County, Kentucky (the "Board"). Under the provisions of existing Kentucky law, the Corporation is permitted to act as an agency and instrumentality of the Board for financing purposes and the legality of the financing plan to be implemented by the Bonds herein referred to has been upheld by the Kentucky Court of Appeals (Supreme Court) in the case of White v. City of Middlesboro, Ky. 414 S.W.2d 569.

## **AUTHORITY AND PURPOSE**

The Refunding Bonds are being issued under and in full compliance with the Constitution and Statutes of the Commonwealth of Kentucky, including KRS Sections 162.120 through 162.300, 162.385, and Section 58.180, within the meaning of the decision of the Court of Appeals of Kentucky (Supreme Court) in the case of Hemlepp v. Aronberg, 369 S.W.2d 121, for the purpose of providing funds to retire all of the outstanding Magoffin County (Kentucky) School District Finance Corporation School Building Revenue Bonds, Series of 1996, dated September 1, 1996 (the "Series 1996 Bonds") and certain of the outstanding Magoffin County (Kentucky) School District Finance Corporation School Building Revenue Bonds, Series of 2000, dated June 1, 2000 (the "Series 2000 Bonds") maturing June 1, 2011 and thereafter (collectively, the "Prior Bonds" or "Defeased Bonds"); provided, however, the Series 2000 Bonds maturing June 1, 2007 through June 1, 2010 (the "Remaining Bonds") shall not be defeased and will remain payable under the Prior Lease.

## **SCHOOL FACILITIES CONSTRUCTION COMMISSION**

The Kentucky School Facilities Construction Commission (the "Commission") is an independent corporate agency and instrumentality of the Commonwealth of Kentucky established pursuant to the provisions of KRS Sections 157.611 through 157.640, as amended, repealed and reenacted (the "Act") for the purpose of assisting local school districts in meeting the school construction needs of the Commonwealth in a manner which will ensure an equitable distribution of funds based upon unmet need.

The Commission will enter into a Participation Agreement with the Board whereunder the Commission will agree to continue to pay annually approximately 32% of the debt service requirements for the Refunding Bonds through June 1, 2020 and approximately 34% for the Remaining Bonds through June 1, 2010. The contractual commitment of the Commission to pay the annual Agreed Participation is limited to the biennial budget period of the Commonwealth, with the first such biennial budget period terminating on June 30, 2007.

## **PROCEEDS TO RETIRE CERTAIN BONDS OF PRIOR ISSUES**

The Defeased Bonds were issued by the Corporation under the authority of KRS Sections 162.120 through 162.300 and 162.385 for the purpose of providing funds for renovations at Millard Hensley Elementary School, additions and renovations at Salyers Elementary School and additions at Magoffin County Elementary School respectively (the "Projects") for the Board. Under the terms of the Bond Resolutions authorizing the Defeased Bonds, those Bonds are payable from the income and revenues of the Projects financed from the proceeds thereof.

The aggregate total principal amount of the Defeased Bonds outstanding as of February 1, 2007 is \$160,000, scheduled to mature on September 1 in each of the years 2007 through 2016 for the Series 1996 Bonds and \$4,955,000 scheduled to mature on June 1 in each of the years 2011 through 2020 for the Series 2000 Bonds.

The statutory mortgage liens and pledges securing the Refunding Bonds are inferior and subordinate to the lien and pledge securing certain of the Corporation's outstanding School Building Revenue Bonds as to one of the three sites of the Projects (the "Prior Lien bonds") but rank on the basis of parity with the lien and pledge securing the Remaining Bonds.

Upon the delivery of the Refunding Bonds sufficient proceeds thereof shall be deposited in a special Escrow Fund and invested in U.S. Government Obligations or Certificates of Deposit fully collateralized by U.S. Government Obligations in order to provide for (a) the payment of all accruing interest and the prior redemption of principal due September 1, 2007 and thereafter on March 1, 2007 (b) the payment of all accruing interest beginning June 1, 2007 through June 1, 2010 and the prior redemption of the Series 2000 Bonds maturing June 1, 2011 through 2020 on June 1, 2010.

The 2007 Bond Resolution expressly provides that upon delivery of the Refunding Bonds and the deposit of sufficient funds in accordance with the preceding paragraph and the payment and retirement of the Remaining Bonds the statutory mortgage liens upon and the pledges of the revenues from the rental of the Projects under the Prior Leases from the Corporation to the Board shall terminate as the security and source of payment for the Defeased Bonds and the Registered Owners of the Defeased Bonds shall be paid from and secured by the monies deposited in the Escrow Fund for the retirement thereof upon the delivery of the Refunding Bonds.

## SECURITY FOR REFUNDING BONDS

The Refunding Bonds will constitute a limited indebtedness of the Corporation and will be payable as to both principal and interest solely from the income and revenues of the school Projects originally financed from the proceeds of the Defeased Bonds. The Refunding Bonds are secured by statutory mortgage liens upon and pledges of the revenues derived from the rental of the school Projects to the Board under a Contract, Lease and Option dated as of February 1, 2007 (the "2007 Lease"); said liens and pledges being inferior to the lien and pledge securing the Prior Lien Bonds but ranking on a parity with the lien and pledge securing the Remaining Bonds.

Title to the school Projects financed from the proceeds of the Defeased Bonds is vested in the Corporation securing the Refunding Bonds in accordance with the terms of the 2007 Lease.

The 2007 Lease provides that the Prior 1996 Lease will be canceled effective upon the escrow of sufficient funds to provide for the retirement of the Series 1996 Bonds but the Prior 2000 Lease will remain in effect until the retirement of the Remaining Bonds. The 2007 Lease provides further that so long as the Board exercises its annual renewal options, its rentals will be payable according to the terms and provisions of the 2007 Lease until June 1, 2020, the final maturity date of the Refunding Bonds, and such annual rentals shall be deposited as received in the 2007 Bond Fund for the Refunding Bonds and used and applied for the payment of all maturing principal of and interest on the Refunding Bonds.

Under the terms of the 2007 Bond Resolution and the 2007 Lease the statutory mortgage liens and pledges of rental revenues securing the Refunding Bonds which are created and granted pursuant to KRS 162.200 upon the school Projects properties are and shall be restricted in their application to the exact locations of said school buildings and to such easements and rights of way for ingress, egress and the rendering of services thereto as may be necessary for the proper use and maintenance of said school buildings; the right being reserved to erect or construct upon any land not occupied by the school Projects other independently financed school buildings, free and clear of said statutory mortgage liens and revenue pledges, which other independently financed school buildings may or may not have a party wall with and adjoin said school buildings constituting the Projects, provided no part of the cost of said other independently financed school buildings is paid from the proceeds of the sale of the Refunding Bonds.

Under the terms of the 2007 Lease, and any renewal thereof, the Board has agreed so long as the Bonds remain outstanding, and in conformance with the intent and purpose of Section 157.627(5) of the Act and KRS 160.160(5), in the event of a failure by the Board to pay the rentals due under the 2007 Lease, and unless sufficient funds have been transmitted to the Paying Agent, or will be so transmitted, for paying said rentals when due, the Board has granted under the terms of the 2007 Lease and Participation Agreement to the Corporation and the Commission the right to notify and request the Kentucky Department of Education to withhold from the Board a sufficient portion of any undisbursed funds then held, set aside, or allocated to the Board and to request said Department or Commissioner of Education to transfer the required amount thereof to the Paying Agent for the payment of such rentals.

Only one interest rate shall be permitted per Bond, and all Bonds of the same maturity shall bear the same rate. Interest rates must be on an ascending scale, in that the interest rate stipulated in any year may not be less than that stipulated for any preceding maturity. There is no limit on the number of different interest rates.

(4)The determination of the best purchase bid for said Refunding Bonds shall be made on the basis of all bids submitted for exactly \$5,580,000 principal amount of Refunding Bonds offered for sale under the terms and conditions herein specified; provided, however, the Corporation reserves the right to increase or decrease the total principal amount of Refunding Bonds sold to such best bidder, in the amount of not exceeding \$560,000, with such increase or decrease to be made in any maturity, and the total amount of Refunding Bonds awarded to such best bidder will be a minimum of \$5,020,000 or a maximum of \$6,140,000. (5)The successful bidder may elect to notify the Financial Advisor within twenty-four (24) hours of the award of the Bonds that certain serial maturities as awarded may be combined with immediately succeeding serial maturities as one or more Term Bonds; provided, however, (a) bids must be submitted to permit only a single interest rate for each Term Bond specified, and (b) Term Bonds will be subject to mandatory redemption by lot on June 1 in accordance with the maturity schedule setting the actual size of the issue.

(9)CUSIP identification numbers will be printed on the Refunding Bonds at the expense of the Corporation. The purchaser shall pay the CUSIP Service Bureau assignment charge. (B) The Bonds will be delivered utilizing the DTC Book-Entry-Only-System.

(C) Said Bonds are offered for sale on the basis of the principal of said Bonds not being subject to Kentucky ad valorem taxation and on the basis of the interest on said Bonds not being subject to Federal or Kentucky income taxation on the date of their delivery to the successful bidder. ## STATE SUPPORT OF EDUCATION

The 1991 Regular Session of the General Assembly of the Commonwealth enacted a comprehensive legislative package known as the Kentucky Education Reform Act ("KERA") designed to comply with the mandate of the Kentucky Supreme Court that the General Assembly provide for as efficient and equitable system of schools throughout the State.

KERA became fully effective on July 13, 1991. Elementary and Secondary Education in the Commonwealth is supervised by the Commissioner of Education as the Chief Executive Officer of the Kentucky Department of Education ("DOE"), an appointee of the reconstituted Kentucky Board of Education (the "State Board"). Some salient features of KERA are as follows:

KRS 157.330 establishes the fund to Support Education Excellence in Kentucky ("SEEK") funded from biennial appropriations from the General Assembly for distribution to school districts. The base funding guaranteed to each school district by SEEK for operating and capital expenditures is determined in each fiscal year by dividing the total annual SEEK appropriation by the state-wide total of pupils in average daily attendance ("ADA") in the preceding fiscal year; the ADA for each district is subject to adjustment to reflect the number of at risk students (approved for free lunch programs under state and federal guidelines), number and types of exceptional children, and transportation costs.

KRS 157.420 establishes a formula which results in the allocation of funds for capital expenditures in school districts at \$100 per ADA pupil of the SEEK allotment for the current biennium which is required to be segregated into a Capital Outlay Allotment Fund which may be used only for (1) direct payment of construction costs; (2) debt service on voted and funding bonds; (3) lease rental payments in support of bond issues; (4) reduction of deficits resulting from over expenditures for emergency capital construction; and (5) a reserve for each of the categories enumerated in 1 through 4 above.

KRS 157.440(1) requires that effective for fiscal years beginning July 1, 1991 each school district shall levy a minimum equivalent tax rate of \$.30 for general school purposes. The equivalent tax rate is defined as the rate which results when the income collected during the prior year from all taxes levied by the district (including utilities gross receipts license and special voted) for school purposes is divided by the total assessed value of property, plus the assessment for motor vehicles certified by the Revenue Cabinet of the Commonwealth. Any school district board of education which fails to comply with the minimum equivalent tax rate levy shall be subject to removal from office.

KRS 157.440(2) provides that for fiscal years beginning July 1, 1991 each school district may levy an equivalent tax rate which will produce up to 15% of those revenues guaranteed by the SEEK program. Any increase beyond the 4% annual limitation imposed by KRS 132.017 is not subject to the recall provisions of that Section. Revenue generated by the 15% levy is to be equalized at 150% of the state-wide average per pupil equalized assessment.

KRS 157.440(2) permits school districts to levy up to 30% of the revenue guaranteed by the SEEK program, plus the revenue produced by the 15% levy, but said additional tax will not be equalized with state funds and will be subject to recall by a simple majority of those voting on the question.

KRS 157.620(1) also provides that in order to be eligible for participation from the Kentucky School Facilities Construction Commission for debt service on bond issues the district must levy a tax which will produce revenues equivalent to \$.05 per \$100 of the total assessed value of all property in the district (including tangible and intangible property and motor vehicles) in addition to the minimum \$.30 levy required by KRS 160.470(12). A district having a special voted tax which is equal to or higher than the required \$.05 tax, must commit and segregate for capital purposes at least an amount equal to the required \$.05 tax. Those districts which levy the additional \$.05 tax are also eligible for participation in the Kentucky Facilities Support ("KFS") program for which funds are appropriated separately from SEEK funds and are distributed to districts in accordance with a formula taking into account outstanding debt and funds available for payment from both local and state sources under KRS 157.440(1)(b).

KRS 160.460 provides that as of July 1, 1994 all real property located in the Commonwealth subject to local taxation shall be assessed at 100% of fair cash value.

## **ADOPTION OF STATE BUDGET**

The Commonwealth's Biennial Budget for 2006-08 was formally reported out of the Joint Conference Committee of the Kentucky General Assembly the week of April 3. The Budget was approved by the Senate on April 10 and by the House of Representatives on April 11 and was forwarded to the Governor for his approval or modification. The Governor exercised his line-item veto power as to certain items and the Budget has become effective.

## **MUNICIPAL SECURITIES DISCLOSURE**

As a result of the Board and issuing agencies acting on behalf of the Board having outstanding at the time the Bonds referred to herein are offered for public sale municipal securities in excess of \$10,000,000, the Corporation and the Board will enter into a written agreement for the benefit of all parties who may become Registered Owners of the Bonds whereunder said Corporation and Board will agree to comply with the provisions of the Municipal Securities Disclosure Rules set forth in Securities and Exchange Commission Rule 15c2-12.

Financial information regarding the Board may be obtained from Superintendent, Magoffin County Board of Education, Highway 421 South, McKee, Kentucky 40447 Telephone (606) 349-6117.

## **TAX EXEMPTION; BANK QUALIFIED**

Bond Counsel is of the opinion that the Refunding Bonds are "qualified tax-exempt obligations" within the meaning of the Internal Revenue Code of 1986, as amended, and therefore advises as follows:

- (A) The Refunding Bonds and the interest thereon are exempt from income and ad valorem taxation by the Commonwealth of Kentucky and all of its political subdivisions.
- (B) The interest income from the Refunding Bonds is excludable from the gross income of the recipient thereof for Federal income tax purposes under existing law; provided, that the corporate entities noted below are advised of certain tax consequences as follows:
  - (1) In the computation of the corporate minimum tax, earnings and profits may include otherwise tax-exempt interest on the Refunding Bonds; this provision applies to corporations only.
  - (2) Property and casualty insurance companies may be denied certain loss reserve deductions to the extent of otherwise tax-exempt interest on the Refunding Bonds.
- (C) As a result of designations and certifications by the Board and the Corporation, indicating the issuance of less than \$10,000,000 of tax-exempt obligations during the calendar year ending December 31, 2007, the Refunding Bonds may be treated by financial institutions as if they were acquired before August 8, 1986.
- (D) The interest income from the Refunding Bonds is excludable from the gross income of the recipient thereof for Federal income tax purposes under existing law for individuals; however, said income must be included in the calculation of "modified adjusted gross income" in the determination of whether and to what extent Social Security benefits are subject to Federal income taxation.

## **BOOK-ENTRY-ONLY SYSTEM**

The Refunding Bonds shall utilize the Book-Entry-Only-System administered by The Depository Trust Company ("DTC").

DTC will act as securities depository for the Bonds. The Bonds initially will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Bond Certificate will be issued, in the aggregate principal amount of the Bonds, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the

eliminating the need for physical movement of securities certificates. "Direct Participants" include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its participants are on file with the Securities and Exchange Commission.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds ("Beneficial Ownership Interest") are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their Beneficial Ownership interests in Bonds, except in the event that use of the book-entry system for the Securities is discontinued. Transfers of ownership interest in the Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Bonds with DTC and their registration in the name of Cede & Co., effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners, will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to Cede & Co. If less than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each District Participant in the Bonds to be redeemed.

Neither DTC nor Cede & Co. will consent or vote with respect to Bonds. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments of the Bonds will be made to DTC. DTC's practice is to credit Direct Participants' account on payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC, the Issuer, or the Trustee, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer or the Trustee, disbursements of such payments to Direct Participants shall be the responsibility of DTC, and disbursements of such payment to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Beneficial Ownership Interests purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Beneficial Ownership Interests by causing the Direct Participant to transfer the Participant's interest in the Beneficial Ownership Interests, on DTC's records, to the purchaser or the Trustee, as appropriate. The requirements for physical delivery of Bonds in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or the Bond Registrar. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered by the Bond Registrar.

NEITHER THE ISSUER, THE BOARD NOR THE BOND REGISTRAR/PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DIRECT PARTICIPANT, INDIRECT PARTICIPANT OR ANY BENEFICIAL OWNER OR ANY OTHER PERSON NOT SHOWN ON THE REGISTRATION BOOKS OF THE BOND REGISTRAR/PAYING AGENT AS BEING AN OWNER WITH RESPECT TO: (1) THE BONDS; (2) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT; (3) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PURCHASE PRICE OF TENDERED BONDS OR THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE BONDS; (4) THE DELIVERY BY ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE BOND RESOLUTION TO BE GIVEN TO HOLDERS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (6) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS HOLDER.
